Marshallville Packing Co. Issues a Voluntary Recall Due to an Undeclared Allergen

MARSHALLVILLE, Ohio (Feb. 06, 2013)—Marshallville Packing Co. is issuing a voluntary recall of products due to an undeclared wheat allergen on their labels. All products have cereal listed in their ingredient statements but do not indicate that wheat is in the cereal blend.

Products involved in this recall include:

- German Brand Beef Bologna
- Garlic Beef Bologna
- Beef Bologna
- Trail Style Bologna
- Dutch Brand Loaf
- Pepper Loaf
- Braunschweiger

The products are labeled with the Ohio Department of Agriculture inspection legend which includes the establishment number "1054". All products would have been purchased at the Marshallville Packing Co. before February 1, 2013.

This recall was initiated after the labeling discrepancy was discovered during routine meat inspection services provided by the Ohio Department of Agriculture. No adverse reactions have been reported due to the consumption of these products. Anyone concerned about a reaction should contact a healthcare provider.

Marshallville Packing Co. is voluntarily recalling the products out of an abundance of caution and concern for their customers. Consumers may bring the designated packages into Marshallville Packing for a full refund. Those customers with additional questions may contact Frank or Jim Tucker at 330-855-2871.
